Subject: Legal question - draft Workplan - confirming not considered internal?
Attachments: Draft HPNS Rad Work Plan_020918.pdf

The Navy did not directly email the draft workplan to State or City. But State got it via One Drive and submitted formal comments. I cc'ed the City on my comments. I assume that the Workplan is no longer considered internal. Let me know if I'm wrong

The State's attorney said that having access via One Drive is considered "possession"

Lily:

I'm surprised that he couldn't. 14MB isn't really that big. Our email system allows files up to 25MB.

Regardless, I have reduced size and optimized it down to 9.5MB (attached).
